

ACOC 60th Anniversary Rally.

Badsey, Evesham, Worcestershire. UK.

18th to 24th June 2012.

Accommodation. Places to eat. Places of Interest.

The ACOC is providing this information for the benefit of members and guests attending the 60th anniversary celebrations in 2012. We (the ACOC) have not checked out any of the following venues, nor do we recommend any one above another. The data has been gathered from a number of sources including local Tourist Information centres, the Internet and leaflets collected during visits.

We are sure you will understand when we say that we cannot arrange accommodation and cannot act on behalf of members. We are however willing to assist any foreign visitors if we can, please contact Phil Plumb (European visitors.) on 01373 832441 e-mail: philip.plumb1@btopenworld.com or Andrew Wardle (rest of the world.) on 01782 550258 (home) or 7970 750191 (mobile) e-mail : checkleyand@aol.com

The list will be kept up to date and new venues added as information is received. If anyone wishes to add to the list please e-mail Andrew Wardle.

Having been copied from various sources, the ACOC cannot guarantee the accuracy of the list, which is in no particular order and shows no tariffs nor 'star' ratings, it does contain all the other information we currently hold on each venue. Data can change. Many of them will have individual websites, if these are known, they are listed, and we would recommend checking this yourselves.

We particularly recommend you confirm distances from Badsey, the rally venue. We also recommend you check on the parking facilities at the venues you contact. Some may have none at all or may have roadside parking, neither of which may be suitable for a Champ or Champs containing valuable kit.

As a general guide, any telephone number beginning with 01386 will be close to Evesham. The rally site itself is at Badsey which is less than two miles from Evesham.

We hope the information proves useful and the Champ World Magazine and 60th Anniversary Rally organisation teams hope to meet you at some time during the week of the 18th to the 24th of June 2012.

Compiled by Andrew Wardle from information gathered on his extensive travels by Jonathan Williamson.
